Dear Sir, dear Madam,

Our company is a leading supplier of CNC machining centers to the North American woodworking industry.

On behalf of a recently attended Trade Show in Atlanta, GA we produced small handcarts on our equipment, allowing visitors to place their literature and belongings in this cart. In return for a cart we asked for their donation to St. Jude Children's Research Hospital.

The reception of the cart and the idea was overwhelming and we could not keep up with the supply.

I am extremely happy to enclose a check in the amount of US\$ 1000.00 collected as a donation to your wonderful institution.

Wishing you continued success in the fight against cancer and Gods Blessings on you,

Sincerely

Raymond G. Ward
